\*If you make a withdrawal in a foreign currency from a LINK ATM or over the counter your transaction will normally reach us as a sterling cash transaction so non-sterling fees won't apply.

**AER** stands for Annual Equivalent Rate and shows what the interest rate would be if interest was paid and compounded once a year.

**Gross p.a.** is the interest rate without tax deducted

Our **per year compounded** interest rate shows the rate of interest that you'll pay on your overdraft over a year and takes account of the fact we charge interest each month on your balance and this will include any interest which has already been added to your account previously.

#### Receiving money within the UK

To receive sterling payments into your account, the person making the payment will need to quote your sort code and your 8 digit account number, which you'll find on the front of your statement. Entering account numbers incorrectly can mean payments being misdirected, so please be sure to provide the correct details.

#### Receiving money from outside the UK and receiving money from within the UK in a currency other than sterling

**SWIFT** - someone making a payment to you must quote your Bank Identifier Code (BIC) and International Bank Account Number (IBAN). The BIC and IBAN are the international equivalents of your UK sort code and account number. An international payment will also need to quote the SWIFT Intermediary Bank number as we're using the routing services of an Agent Bank. You'll find this number along with your BIC and IBAN on the front of your statement.

**SEPA Credit Transfer** - someone making a payment to you must quote your International Bank Account Number (IBAN). Your IBAN is found on the front of your statement.

**Banking of cheques** - You can pay money into or out of your account by cheque. To find out more information about cheque interest, clearing times, withdrawals and certainty, please visit [nationwide.co.uk/cheque](https://www.nationwide.co.uk/cheque)

If you have a problem with your account, and wish to complain, please try to settle it with us first. If you're not happy with the way in which we handled your complaint or the outcome you may be able to complain to the Financial Ombudsman Service. We'll give you details of how to contact the Ombudsman.

## FlexAccount Notice of Charges

Your Notice of Charges shows you the fees and interest which you've incurred throughout this statement period. Please check them carefully and get in touch if there's anything you're unsure about. ### Taking control of your money

- Manage your money 24/7 on the Banking app and Internet Bank. Visit [nationwide.co.uk/managingyourmoney](https://nationwide.co.uk/managingyourmoney) for more information.
- Stay up to date with helpful text alerts. Unless you've opted out in the past and as long as we have your up-to-date mobile number, we automatically send you texts that keep you in the loop about your borrowing. Plus, there are additional alerts you can choose to sign up for, too. If you'd like to see all the alert options available to you, how to opt out of the ones we automatically send, and how to opt in for others, please visit [nationwide.co.uk/textalerts](https://nationwide.co.uk/textalerts)
- Work out your borrowing with our online calculator. It allows you to figure out how much it's costing you per month to borrow using your arranged overdraft in the way you do. Just visit [nationwide.co.uk/online-calculator](https://nationwide.co.uk/online-calculator)
- It's always a good idea to stop and think about whether borrowing with an arranged overdraft is still the best option for you. Visit [nationwide.co.uk/borrowing-options](https://nationwide.co.uk/borrowing-options) for more info, or pop into branch. Plus, it's worth considering if the account you have is still right for you, too. We're a member of CASS (Current Account Switch Service), which makes switching a straightforward process. You can find out all you need to know about switching accounts at [currentaccountswitch.co.uk](https://currentaccountswitch.co.uk)
- Our arranged overdrafts are there to help members meet their short term borrowing needs only. You need to consider how you'll pay the money back if you're asking to increase yours, or when setting one up. We lend responsibly, which means we regularly review how our members use their arranged overdrafts so we can help prevent any financial difficulty - and offer help if we feel it's needed.

#### **Additional information**

- Because of changes we made in 2019 to the way we charge for overdrafts, up until 28 January 2021, you might see some arranged and unarranged overdraft fees which you would've incurred before 11 November 2019. For more information about these changes, see the Summary of Changes we sent you in August 2019 (or provided to you when applying for your account, if you did so between 1 August and 11 November 2019).
- This Statement of Fees includes credit interest and overdraft charges. These are generally added to your account on the last day of the month in which they occurred. This means that a service will be shown as used if it was used within a month that ended within the stated period of this Statement of Fees (whether or not the day on which the service was used fell within the stated period).
- This Statement of Fees does not include:
  - Any refunds of charges which may have been made to your account during the stated period. All fees and refunds are shown in your monthly account statements; or
  - Any adjustments we may make to interest or charges. We make these adjustments if we need to re-calculate the charges or interest for a month at a later date. Adjustments are included in the transactions within your monthly account statements and (where appropriate) in the notice of charges.
- You may see a difference between the number of times used and the number of times charged for a given service. This may be because:
  - Fee and interest caps may apply – for more information on the relevant fees, and the caps for those fees, for your current account, please refer to the Current Account Interest Rates & Charges leaflet, which can be found online at [nationwide.co.uk/rates-and-charges](http://nationwide.co.uk/rates-and-charges) or in branch;
  - You may have been charged during the period of this Statement of Fees for a service used before this period; and/or
  - You may have used a service during the period of this Statement of Fees but will not be charged until after the period of this Statement of Fees has ended.
- If you have switched from another Nationwide account in the last 12 months this Statement of Fees may show fees, interest incurred and/or interest earned from your old account that have been applied after the date you switched.
