Your FlexAccount

Please check your statement to make sure everything's correct. If there's anything you're unsure about please get in touch or if you've changed any of your contact details, you need to let us know.

Interest, Rates and Fees

We work out overdraft interest each day and take it from your account each month. FlexAccount doesn't currently pay any credit interest.

Unless stated otherwise, all rates and fees are variable and we can change them at any time.

If we have to give you notice of a fee or interest we'll let you know by including a 'Notice of Charges' page with your next regular statement, and we'll take the amount from your account 28 days after the statement date.

This information doesn't replace your Terms and Conditions

Have you lost your card or cheque book or had them stolen? Let us know straight away, either via the Banking app (if you have it) or by calling us on **08000 55 66 22**. You can report lost or stolen cards and cheque books 24/7.

	*For the 60 day example, we've applied the charges for the first 30 days, on day 31. This means that the charge in the second month is higher as we charge interest on the interest you've incurred up to that point.	£13.99 for 30 days	
		£28.37 for 60 days*

	Non-Sterling Transaction Fee	2.75% of the transaction amount (2.99% from 3 June 2020)

AER stands for Annual Equivalent Rate and shows what the interest rate would be if interest was paid and compounded once a year.

Gross p.a. is the interest rate without tax deducted

Our **per year compounded** interest rate shows the rate of interest that you'll pay on your overdraft over a year and takes account of the fact we charge interest each month on your balance and this will include any interest which has already been added to your account previously.

Receiving money within the UK

To receive sterling payments into your account, the person making the payment will need to quote your sort code and your 8 digit account number, which you'll find on the front of your statement. Entering account numbers incorrectly can mean payments being misdirected, so please be sure to provide the correct details.

Receiving money from outside the UK and receiving money from within the UK in a currency other than sterling

SWIFT - someone making a payment to you must quote your Bank Identifier Code (BIC) and International Bank Account Number (IBAN). The BIC and IBAN are the international equivalents of your UK sort code and account number. An international payment will also need to quote the SWIFT Intermediary Bank number as we're using the routing services of an Agent Bank. You'll find this number along with your BIC and IBAN on the front of your statement.

SEPA Credit Transfer - someone making a payment to you must quote your International Bank Account Number (IBAN). Your IBAN is found on the front of your statement.

Banking of cheques - You can pay money into or out of your account by cheque. To find out more information about cheque interest, clearing times, withdrawals and certainty, please visit nationwide.co.uk/cheque

If you have a problem with your account, and wish to complain, please try to settle it with us first. If you're not happy with the way in which we handled your complaint or the outcome you may be able to complain to the Financial Ombudsman Service. We'll give you details of how to contact the Ombudsman.

Important information about compensation arrangements
