Interest, Rates and Fees

We work out overdraft interest each day and take it from your account each month. FlexAccount doesn't currently pay any credit interest.

Unless stated otherwise, all rates and fees are variable and we can change them at any time.

If we have to give you notice of a fee or interest we'll let you know by including a 'Notice of Charges' page with your next regular statement, and we'll apply the amount to your account 28 days after the statement date.

AER stands for Annual Equivalent Rate and shows what the interest rate would be if interest was paid and compounded once a year.

Gross p.a. is the interest rate without tax deducted.

Our **per year compounded** interest rate shows the rate of interest that you'll pay on your overdraft over a year and takes account of the fact we charge interest each month on your balance and this will include any interest which has already been added

Receiving money within the UK

To receive sterling payments into your account, the person making the payment will need to quote your sort code and your 8 digit account number, which you'll find on the front of your statement. Entering account numbers incorrectly can mean payments being misdirected, so please be sure to provide the correct details.

Receiving money from outside the UK and receiving money from within the UK in a currency other than sterling

SWIFT - someone making a payment to you must quote your Bank Identifier Code (BIC) and International Bank Account Number (IBAN). The BIC and IBAN are the international equivalents of your UK sort code and account number.

An international payment will also need to quote the SWIFT Intermediary Bank number as we're using the routing services of an Agent Bank. You'll find this number along with your BIC and IBAN on the front of your statement.

SEPA Credit Transfer - someone making a payment to you must quote your International Bank Account Number (IBAN). Your IBAN is found on the front of your statement.

Banking of cheques - You can pay money into or out of your account by cheque. To find out more information about cheque interest, clearing times, withdrawals and certainty, please visit nationwide.co.uk/cheque

If you have a problem with your account, and wish to complain, please try to settle it with us first. If you're not happy with the way in which we handled your complaint or the outcome you may be able to complain to the Financial Ombudsman Service. We'll give you details of how to contact the Ombudsman.

Important information about compensation arrangements

The deposits in this account are eligible for protection under the Financial Services Compensation Scheme (FSCS). An **Information Sheet** and **Exclusion List** which provides information about the FSCS and the protection that it provides can be found at nationwide.co.uk/fscs-info

For further information about the compensation provided by the FSCS, refer to the FSCS website at fscs.org.uk

Alternatively, please visit your local branch or call **03457 30 20 11** to request a copy or to chat to us about your account. For more information about our opening times, visit: nationwide.co.uk/contact-us

Your Notice of Charges shows you the fees and interest which you've incurred throughout this statement period. Please check them carefully and get in touch if there's anything you're unsure about. These will be applied to your account 28 days after the date of this statement. It's important to budget for when any fees and interest are taken and your balance reduces.

Taking control of your money

- Manage your money 24/7 on the Banking app and Internet Bank. Visit nationwide.co.uk/managing-your-money for more information.
- Stay up to date with helpful text alerts. Unless you've opted out in the past and as long as we have your up-to-date mobile number, we automatically send you texts that keep you in the loop about your borrowing. Plus, there are additional alerts you can choose to sign up for, too. If you'd like to see all the alert options available to you, how to opt out of the ones we automatically send, and how to opt in for others, please visit nationwide.co.uk/textalerts
- Work out your borrowing with our online calculator. It allows you to figure out how much it's costing you per month to borrow using your arranged overdraft in the way you do. Just visit nationwide.co.uk/online-calculator
- It's always a good idea to stop and think about whether borrowing with an arranged overdraft is still the best option for you. Visit nationwide.co.uk/borrowing-options for more info, or pop into branch. Plus, it's worth considering if the account you have is still right for you, too. We're a member of CASS (Current Account Switch Service), which makes switching a straightforward process. You can find out all you need to know about switching accounts at currentaccountswitch.co.uk
- Our arranged overdrafts are there to help members meet their short term borrowing needs only. You need to consider how you'll pay the money back if you're asking to increase yours, or when setting one up. We lend responsibly, which means we regularly review how our members use their arranged overdrafts so we can help prevent any financial difficulty - and offer help if we feel it's needed.
